

# 'ALWAYS DADDY'S LITTLE GIRL': INCESTUOUS ABUSE DURING ADULTHOOD

Paper presented 27<sup>th</sup> August 2011

PLENARY PAPER; 6<sup>TH</sup> WORLD CONGRESS FOR PSYCHOTHERAPY,  
"WORLD DREAMING", 24<sup>th</sup>-28<sup>th</sup> August 2011, Sydney

Paper updated 23<sup>th</sup> March 2012

## *Adjunct Professor Warwick Middleton*

*MB, BS, FRANZCP, MD.*

Adjunct Professor, School of Public Health, La Trobe University, Melbourne  
Associate Professor, School of Medicine, University of Queensland, Brisbane  
Fellow, International Society for the Study of Trauma and Dissociation

This printed paper provides more detailed background and more clinical data than was in the oral (briefer and earlier) version presented originally at the 2010 San Diego APA Convention. It forms a portion of the material that is being prepared as a monograph on the subject of ongoing incestuous abuse occurring during adulthood.
